In district three Karluway, the distribution covered Gbaken, Gbon Karloken, Manolu and Nyeworkon.

In Barrobo other part of district three, the distribution also covered Cavalla, Glofeken, Rock Town and Teaken with River Gee and others Counties in the southeastern part of Liberia been further.

During the Presentation of those items to citizens in the county on behalf of the Cummings Foundation Mr. Eric Wlea Giko, aspirant vining on the Alternative National Congress Maryland ticket, said the distribution of the items was the Foundation now way of identifng with Citizens during this global Covid_19 pandemic.

According to him, the Cummings Foundation promised the people in the County in the time past that they were to made available some rations but the boat that was bring the rations got stocked in Grand Bassa; something which he said has delayed the entire process. "Noting, Glory be to God since the Items are available now in Maryland County for my People, the Cummings Africa Foundation will always be available to help the people of Maryland in such situation like this Covid-19 virus.

He further explained that during this Coronavirus Pandemic Marylanders within its three Political Districts and others parts of the Southeast are in deem need of foods.

"This donation is more symbolic ,even if we have brought two thousands bags of rice for each of you it will not still be enough, we try to show to our people's that we are with them during this time of the crisis even thought everybody cannot get it"

Mr.Giko lamented that the Committee established by the Foundation with worked alone with the people to realize the dream of the Foundation.

He also disclosed that towns and Villages in Harper, Pleebo, Barrabo and Karluway that have benefited from the rations will still recieve during the next distribution which is on the way shortly.
